

Future Finders

24 March 2017 | 09.00 - 13.00 | IOW College, Medina Way, Newport

Could you inspire the next generation?

We are looking for volunteers to attend this morning event to showcase their organisation, share their experiences and help young people discover the huge range of careers on the Isle of Wight and within the Solent. We are inviting all secondary schools to bring students from years 7 and 8 to this event (aged 11-13) with the aim to raise their aspirations and start them thinking about their futures.

There will be two sessions of 'speed networking' in the morning, students will have a few minutes with each representative to ask questions and find out about their job. In these fast-paced meetings the students will benefit from meaningful encounters with people from the world of work and hear first-hand about the variety of career pathways they could take.
