IWChamber BUSINESS EXPO2024

10 JULY RYDE SCHOOL

Supported by
WightFibre
because we care

attentive
and reliable
service

WightFibre is in the business of connecting people to the digital world. We're thrilled to once again sponsor Expo, which provides a unique platform for networking and collaboration. We hope to facilitate different types of connections between businesses, fostering partnerships that drive collective progress.

The Expo provides a unique platform on the Island for businesses to connect, collaborate, and explore new opportunities. By sponsoring this event, we hope to foster meaningful relationships within our Island community. Together, we can build a stronger Island business ecosystem.

Our support extends beyond the event itself. WightFibre's £110M+ investment in the Island's digital infrastructure will help foster the long-term success of our fellow Island businesses, contributing to a vibrant and resilient business landscape on the Isle of Wight. To all the participants, exhibitors, and attendees: Let's make this year's Business Expo a resounding success!

John Irvine,
CEO, WightFibre

WELCOME TO EXPO 2024

Thanks for coming to Expo 2024!

Expo is quite simply an institution. It's the Chamber's biggest annual business networking day, and this year we're returning to our new home in the grounds of Ryde School. Once again our headline sponsor is WightFibre, without whom this event would be very different.

Only the Chamber can do this – bringing more than 70 exhibiting businesses together for a high value day of networking, and the opportunity to engage with hundreds of like-minded business people. Uniting the Island's business community in this way isn't easy, and for one individual to pull together this many appointments in one day would be impossible. That's the difference with the Isle of Wight Chamber of Commerce and the value of Chamber membership; we make events like this happen.

So why do we do it? It's all about opportunity and face-to-face connection. Expo is where business conversations start and where ideas flourish. It's a massive chance for you and your business to see, and to be seen. Exhibiting at Expo is a hugely significant way of raising your profile. By attending Expo, whether you're exhibiting or not, you're plugging into a major network and joining the conversation about Island business.

It's so important that we trade with each other. Supporting each other as Islanders is the right thing to do philosophically, as well as usually being a quicker, more practical way of solving a problem. It's always a thrill to see businesses engaging with each other at Expo, promoting not just their products and services, but also chatting informally, in a buzzing environment.

I hope you have a great day! Say hi to as many businesses as you can – check in with the Chamber team and talk to us about how we can help your business to grow.

Steven Holbrook,
IW Chamber's Chief Executive

ENJOY AN
Expo Cuppa

We've teamed up with our friends at Island Roasted who will be providing the Wight Label tea and Island Roasted filter coffee throughout the day.

fortisenergy.co.uk

We undertake commercial energy contract procurement, navigating a complex market to save the client valuable time, money and effort.

In addition to the energy cost savings, our services include ongoing contract and meter management and sustainable energy options.

By leveraging our expertise and understanding of market dynamics and fundamentals, we are here to help our clients make informed decisions and to ensure the most competitive rates available. Proactively, we can offer contracts written in advance to take advantage of bearish trends in the wholesale energy market.

We are fully accredited members of our industry's trade association, the Utilities Intermediaries Association (UIA).

Fortis Energy | Stand 43 & 44

friendsoftheanimals.co.uk

'Every day we make good things happen – but we can only do it with your support'.

Founded in 1990 our services include: contributing towards veterinary treatment, re-homing, voluntary driving, donating petfood and loaning equipment. Frequently an animals last chance of life, we concentrate on 'preventative' work and have neutered 28,000 (Island) animals and have wormed and inoculated thousands more.

People have many choices of charities to support but no one appreciates it more, or tries harder than we do, to get the best possible use from every penny donated. Please visit our stall and pick up a newsletter. Thank you.

Friends of the Animals | Stand 33

gdlegalservices.co.uk

Go for Growth provides advice, training and support to small businesses on the Island, for free. Come and play the Go for Growth game on stand 92, and we can tell you more about the support available to local business owners.

Scan me

Supporting Wessex and beyond

Helping newborns, children and adults diagnosed with congenital and cardiovascular diseases primarily by supporting the work of the Wessex Cardiac Unit based at the University Hospital Southampton.

16.5% of the cardiac relatives that stay at Heartbeat House are from the Isle of Wight. We are looking to increase our presence on the Island to help minimise financial strain and anxiety of being so far away from a loved one.

After all, everyone has a heart, and you never know when you may need help!

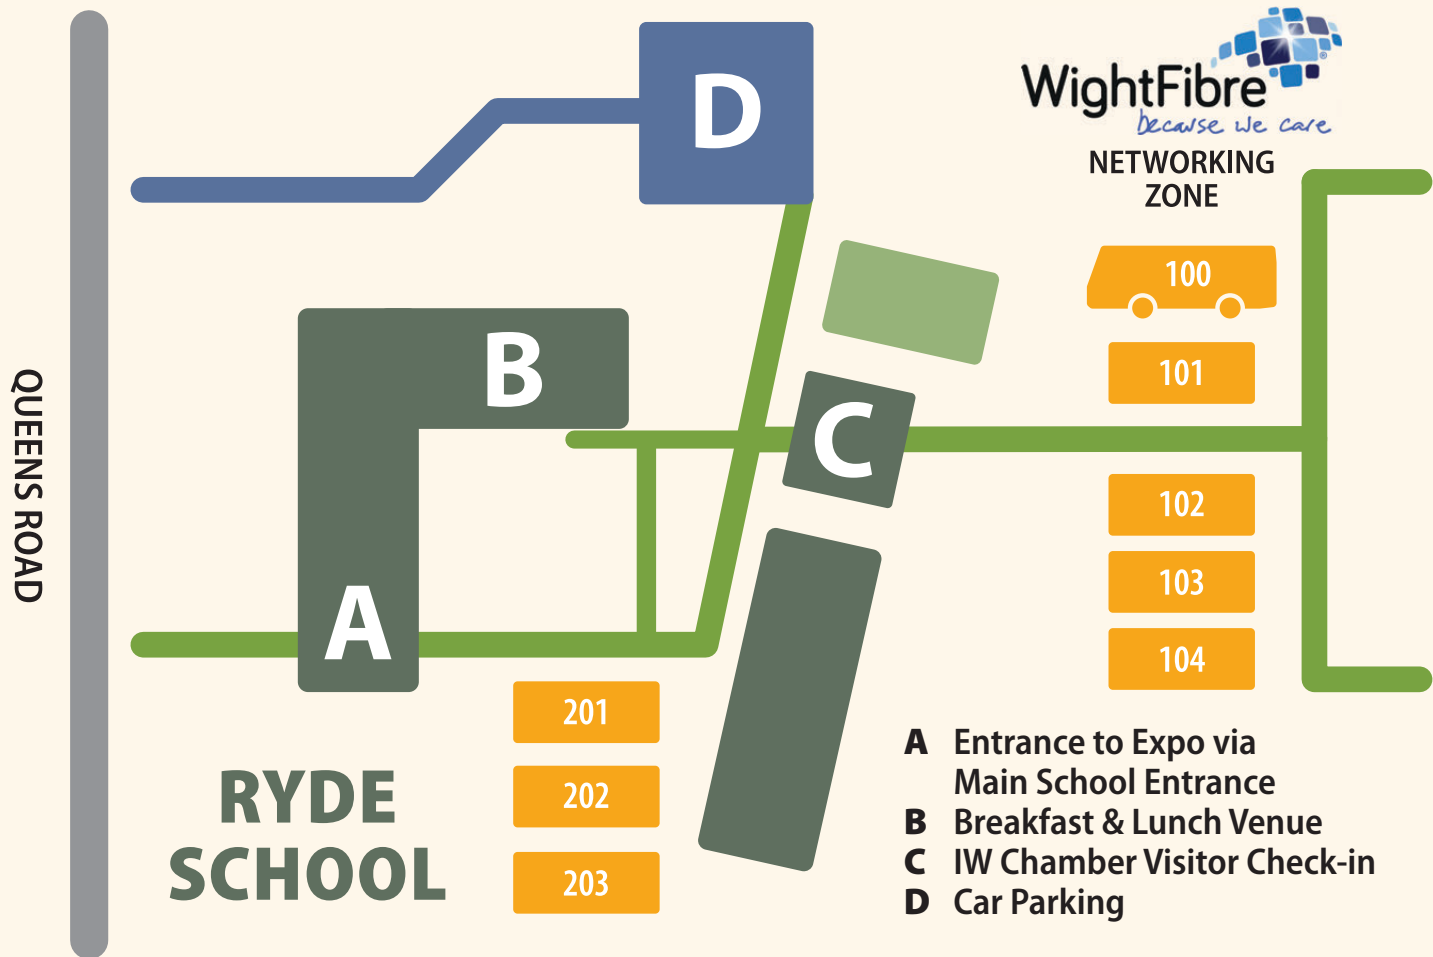

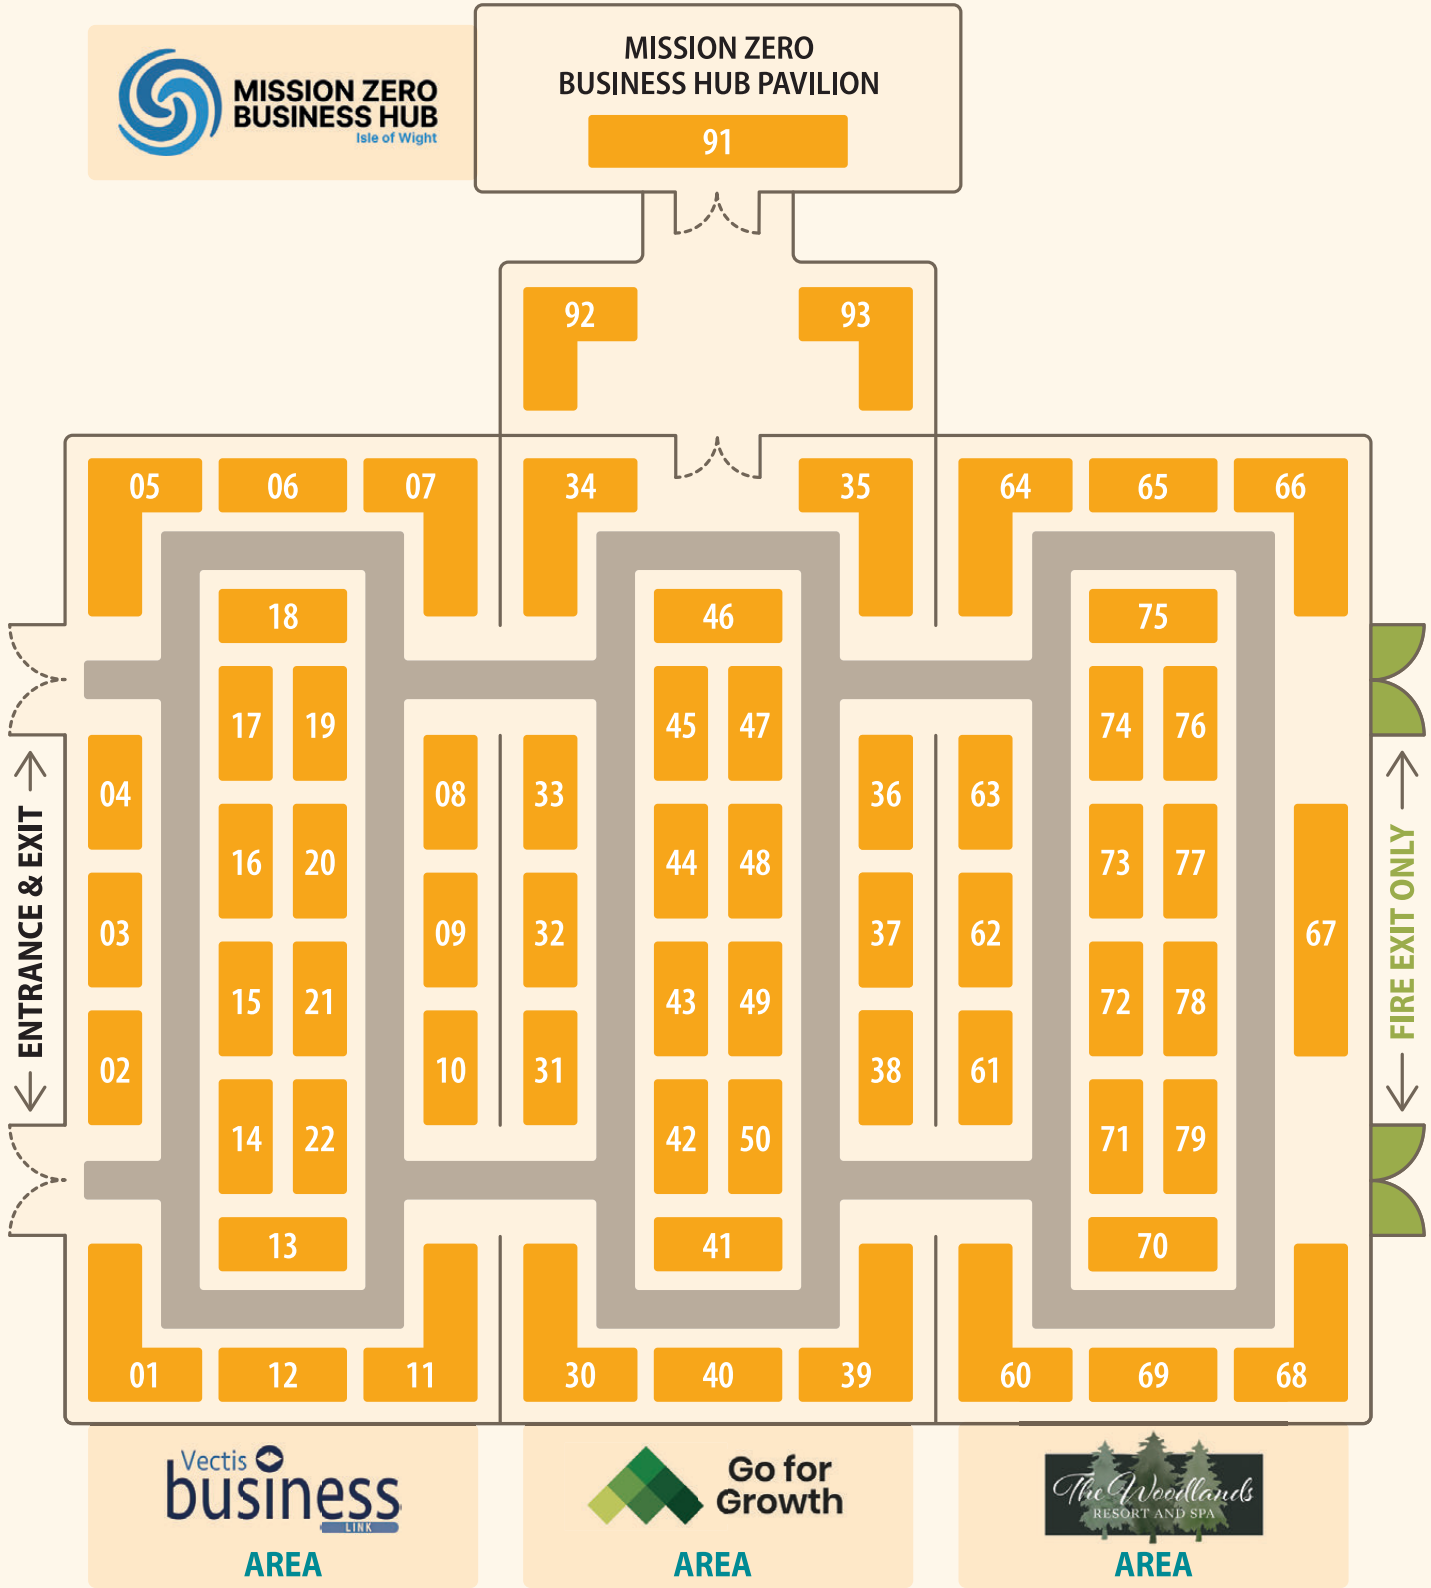

EXPO 2024 EXHIBITORS

	<p>WightFibre provides broadband that just works – full-fibre, ultrafast and future-proof – backed by a £100 money back guarantee. With fuss-free monthly rolling contracts - pay what you see, leave at any time. Our full-fibre broadband is 'point to point' which means every connected home gets its own dedicated fibre optic connection - so no sharing with your neighbours. Already over 65,000 properties on the Island can receive our service and this project is set to be largely complete by the end of 2024.</p> <p>WightFibre cares about its customers with a focus on providing the best possible customer care. WightFibre is the only broadband company in the country to hold the Institute of Customer Service ServiceMark(TM) with Distinction. Because We Care.</p> <p>Call us on 01983 300 400</p> <p>wightfibre.com</p> WightFibre Stand 100
